NEW INITIATIVES

- In accordance with section 4.1 of the *Election Act*, voter assist terminals were introduced at the Advance Polls to provide disabled electors with an accessible, independent voting option.

ADVANCE POLLS

By legislation, Advance Polls were held in each of the four electoral divisions from Wednesday October 22 to Saturday October 25 from 9:00 am to 8:00 pm daily. Only one of the four electoral divisions held the Advance Polls in the returning offices. Each of the four electoral divisions provided a single Advance Poll location with up to four polling stations to process electors within each location.

Automated vote tabulators were installed at each Advance Poll location to record votes and store ballots. Voter assist terminals were also provided in each electoral division.

Forty-nine election officers were recruited, hired and trained for Advance Polls. Each location had a supervisory deputy returning officer, registration officer, information officer, vote tabulator operator and one deputy returning officer and one poll clerk for each polling station.

A total of 9,701 valid ballots were cast at the Advance Polls over four (4) days, representing 19.57% of all valid ballots cast in the by-elections.

Electoral Division	Number of Valid Ballots All Polls	Number of Valid Ballots Advance Polls Only	Advance Poll Ballots Cast Percentage
Calgary-Elbow	12,670	1,164	9.19%
Calgary-Foothills	11,842	2,968	25.06%
Calgary-West	10,894	2,452	22.51%
Edmonton-Whitemud	14,163	3,117	22.01%
Total	49,569	9,701	19.57%

Automated Vote Tabulators and Voter Assist Terminals

The use of automated vote tabulators for the Advance Polls provided fast and accurate voting results which were released to the public shortly after the close of polls on Polling Day. For the first time, poll by poll results were produced from the Advance Polls. In addition, Advance Poll staff could be re-allocated by the Returning Officer as election officers on Polling Day.

Voter assist terminals provided a private, accessible and independent voting option, giving electors the ability to mark their ballot using a braille-coded keypad, a touch screen, pressure sensitive paddles or a “sip and puff” method.

The introduction of automated vote tabulators and voter assist terminals at the by-elections was highly successful. The tabulators and terminals performed flawlessly throughout the four days of Advance Poll voting. The vendor provided excellent service and support to Elections Alberta and election officers throughout the by-election preparation and Advance Poll election delivery phases of the by-elections.

Stakeholders, including registered political parties and media, were invited to demonstrations on the use of the tabulators and terminals prior to their implementation. Positive feedback was received on their use and deployment during the by-elections. The CNIB provided their endorsement for deployment in future provincial general elections.

MOBILE POLLS

By legislation, mobile polls were held on Polling Day October 27, 2014 in treatment centres and supportive living facilities with ten or more resident inpatients or electors, where consultation with facility staff determine the service to be appropriate.

A deputy returning officer and a poll clerk, along with a facility representative, set up a stationary poll in a fixed location, went bed to bed, or both, depending on the situation.

Nine mobile polls were held in 17 facilities across the four electoral divisions on Polling Day. A total of 798 valid ballots were cast at mobile polls.

SPECIAL BALLOT POLLS

Special ballot polls were held at returning offices in each of the four electoral divisions throughout the election period, to facilitate voting for electors who were not able to vote at the Advance Poll or on Polling Day. Special ballots may be mailed out as requested by the elector or may be completed in the returning office. A total of 580 valid special ballots were cast.

POLLING DAY

Polling Day was held on Monday, October 27, 2014. There were 313 polling stations in 50 polling locations across the four electoral divisions. Eight hundred and fifty four election officers were recruited, hired and trained. Fifteen of these positions were site monitors that were requested by the schools rented as polling locations. All 50 polling locations opened on time at 9:00 am.

On Polling Day, a total of 2,742 electors registered to vote by completing a Declaration of Elector at the time of voting. Polling Day registrations are a good measure of the quality of the List of Electors compiled for use by election officers and political participants. Based on the number of names on the list after declarations were added, only 2.06% of electors were added when compared to the Polling Day list.

There were 49,676 ballots cast in the by-elections. Over 94% of those who voted in the by-elections were already registered at their current address.

Voter turnout is traditionally low in by-elections and this time was no exception. An average of 37.28% of eligible electors cast their ballots during the four by-elections as follows:

Electoral Division	Voter Turnout
Calgary-Elbow	37.16%
Calgary-Foothills	36.27%
Calgary-West	35.73%
Edmonton-Whitemud	39.65%

POST POLLING DAY

The Returning Officer announced the official results on November 6, 2014. The following candidates were declared duly elected:

Elected Candidate	Electoral Division
Mr. Gordon Dirks	Calgary-Elbow
Mr. Jim Prentice	Calgary-Foothills
Mr. Mike Ellis	Calgary-West
Mr. Stephen Mandel	Edmonton-Whitemud

All four successful candidates represented the Progressive Conservative Association of Alberta party.

Official documents including the Writ of Election and the Returning Officers' Certificate and Return certifying each candidate's election were returned to the Chief Electoral Officer. The by-election results were published in the November 29, 2014 issue of the Alberta Gazette.

No application was made to the Courts for a judicial recount pursuant to sections 144 or 148 of the Act.

All registered candidates met the statutory filing deadline of February 27, 2015, therefore all nomination deposits of \$500 were refunded to each of the candidates' campaigns.

The total cost of the four by-elections was \$1,102,243. A cost summary is included on page 49 of this Report.

FINANCIAL DISCLOSURE

Registered by-election candidates were required to file Campaign Period Financial Statements with Elections Alberta by February 27, 2015. Disclosure of the candidates' election expenses are available on our website (www.elections.ab.ca) in accordance with section 4(1)(d) of the *Election Finances and Contributions Disclosure Act (EFCDA)*.

Registered political parties that participated in the by-elections must file audited financial statements by April 27, 2015. These statements will list funds received, campaign expenditures and transfer of funds and/or materials.

In accordance with section 11 of the EFCDA, all financial statements will be available for inspection in the public files maintained by this Office and will be posted in summary form on the Elections Alberta website.

AGE AND GENDER STATISTICS

Poll books contained barcodes of each elector's unique identifier to enable the tracking of statistics on voter age and gender and allows for statistical comparisons between voters and registered electors. Age and gender statistics are complete for by-election voters, but there is a gap among registered electors as this information is not currently mandatory. Less than 1% of registered electors in the four by-election electoral divisions are of unknown age and just over 1% are of unknown gender.

Table 1-1 below shows the distribution of those who voted by age group and electoral division. Table 1-2 shows the distribution of registered electors (electors that are pre-registered to vote) by age group and electoral division.

Table 1-1

unknown	0.15%	0.07%	0.22%	0.07%	0.28%

Looking at Table 1-1, the proportion of those who voted increased with age. The 18-24 age group made up less than 5% of the total number of electors while the over 65 age group made up almost 25%. Looking at registered electors in Table 1-2, the proportion increases until age 54, then decreases. Young voter participation (18-24 age group) was lowest in Calgary-Elbow at 3.41% and highest in Calgary-Foothills at 5.58%.

Table 1-3 below shows the distribution of those who voted by gender in each electoral division. Table 1-4 shows the distribution of registered electors by gender and electoral divisions.

Unknown	1.05%	0.87%	1.47%	0.83%	1.01%

Looking at Tables 1-3 and 1-4, the gender breakdown is nearly 50% female, 50% male among both those who voted and those electors listed on the provincial register of electors. In three of the four electoral divisions a slightly higher percentage of women voted (between 3.74% and 4.6% higher). In Calgary-Foothills 0.78% more men voted.

RECOMMENDATIONS FOR AMENDMENTS TO THE *ELECTION ACT*

TEST OF NEW EQUIPMENT AND PROCEDURES

New legislation in force at the 2012 Provincial General Election allowed any elector to vote in the three days of Advance Polls. As a result, elector volumes increased by almost 200% in 2012. After the 2012 provincial general election, legislation was amended to include a fourth Advance Poll day. It is anticipated that there will be another significant increase of electors choosing the convenience and flexibility offered by the Advance Poll period at the next general election.

On July 3, 2014, the Chief Electoral Officer sought and received approval from the Standing Committee on Legislative Offices to test automated vote tabulators and voter assist terminals at the next by-election in compliance with section 4.1 of the *Election Act*.

Four by-elections were called on September 29, 2014. The equipment was successfully implemented during the Advance Polls.

On December 5, 2014 the Chief Electoral Officer met with the Standing Committee to request the use of automated vote tabulators and voter assist terminals in future elections, including the next provincial general election. The request was approved. Legislative amendments were also requested in order to implement the equipment at the next provincial general election.

The *By-Election Procedure for the Use of Vote Tabulators and Voter Assist Terminals* is posted on the Elections Alberta website and describes in detail the election procedures and equipment tested during the by-elections.

The following recommendations were provided by the Chief Electoral Officer to the Standing Committee on Legislative Offices on July 3, 2014 and discussed further on September 4, 2014. The Committee passed a motion on September 10, 2014 to transmit the recommendations to the Minister of Justice and Solicitor General for the preparation of amendments for introduction in the Assembly.

COMPREHENSIVE REVIEW OF ELECTORAL LEGISLATION

A comprehensive review of electoral legislation to commence within one year of the next provincial general election was recommended for the following reasons:

- Current legislation is very prescriptive, needs to be enabling and written in plain language that is easily understood and interpreted
- In order to modernize the electoral process and introduce best practices in electoral administration to Alberta, new procedures and equipment are necessary

- Elections Alberta has, as part of our mandate, the requirement to “embrace partnership opportunities and innovative ideas by adopting best practices and new technologies from the service, business and election communities”

Recommendations for legislative amendments to both the *Election Act* and the *Election Finances and Contributions Disclosure Act (EFCDA)* were provided for consideration prior to the next Provincial General Election. These changes will allow for some modernization of electoral administration, strengthen the integrity and accuracy of the Register of Electors and increase transparency. Recommendations for amendments under the EFCDA were published in the 2013 Annual Report of the Chief Electoral Officer. The following pages include only the recommendations put forth for the *Election Act*.

Election Act

#	Section	Current	Proposed	Rationale
1	4.1(1) (4)	The Chief Electoral Officer may only test new equipment or procedures at a by-election. If we do not have any by-elections prior to a general election, we are unable to introduce new equipment or procedures to the electoral process in Alberta (the last by-election in Alberta was the Calgary-Glenmore By-Election held on September 14, 2009)	<ul style="list-style-type: none"> Delete the words “at a by-election” 	<ul style="list-style-type: none"> The Chief Electoral Officer requires the legislative authority to test new equipment or procedures at any election or by-election in Alberta In order to modernize the electoral process and introduce best practices in electoral administration to Alberta new procedures and new equipment are necessary Elections Alberta has as part of our mandate the requirement to “embrace partnership opportunities and innovative ideas by adopting best practices and new technologies from the service, business and election communities
2	4.2(2)	The Chief Electoral Officer or the representative of the Chief Electoral Officer for the purpose of carrying out an inquiry or conducting an investigation may examine and make copies of books and documents relevant to the subject matter	<ul style="list-style-type: none"> Specify “books and documents” to include electronic records 	<ul style="list-style-type: none"> Records are now maintained and stored in electronic format by political parties, constituency associations and candidates in addition to the traditional manual books and documents format of years past The Chief Electoral Officer requires the authority in the legislation to access the records in whatever format they are stored or maintained
3	13(2)	The Chief Electoral Officer <i>shall</i> maintain a register of electors that <i>may</i> only contain identified information in the <i>Act</i> about electors	<ul style="list-style-type: none"> Amend the legislation to delete the word “may” and replace with “shall” for section 13(2) (a)(b)(d)(e)(f) 	<ul style="list-style-type: none"> In order to ensure the integrity and accuracy of the Register of Electors we require gender, citizenship and date of birth information to be provided by an elector who is to be added to the register Electors who do not provide the above information would not be added to the register of electors as their information could not be updated from other data sources The elector would be permitted to be added to the list of electors and vote This recommendation is consistent with legislation in several Canadian electoral jurisdictions

Election Act

#	Section	Current	Proposed	Rationale
4	16(c), 44	Electors are required to have been resident in Alberta for at least six months	<ul style="list-style-type: none"> Delete the requirement for a six month residency for electors 	<ul style="list-style-type: none"> This recommendation is consistent with best practices in elector qualification implemented in other electoral jurisdictions across Canada that eliminated the six month residency requirement Removing the six month residency requirement aids Elections Alberta in maintaining the accuracy and quality of the Register of Electors because updates to elector information received from trusted data suppliers can be integrated immediately upon receipt without need for a 6 month waiting period A person who is of the voting age, a Canadian citizen and resident of Alberta, who contributes to the economy and local community from the day they become a resident should be permitted to be listed as an elector and allowed to vote
5	49	An oath or affidavit required under this <i>Act</i> may be sworn before the returning officer or election clerk for the relevant electoral division	<ul style="list-style-type: none"> Add: 'Trainer' as the third person allowed to have an oath or affidavit sworn before them 	<ul style="list-style-type: none"> As a result of the Supreme Court challenge in the last federal election, we are now training all provincial polling staff. This doubles the training requirement for Returning Officers necessitating the use of a trainer who will then be required to swear-in election officials
6	96(1)(1.1) 116(1)(a) 118(5)(4)	Voter assistance may be provided by the Deputy Returning Officer to a voter who is unable to vote in the usual manner due to a physical incapacity	<ul style="list-style-type: none"> Delete the word "incapacity" and replace with "disability" in all sub-sections 	<ul style="list-style-type: none"> The CEO has received feedback from the City of Calgary Committee for the Disabled, the Premiers Council on the Status of Persons with Disabilities, the Alberta Disabilities Forum and the Alberta Committee of Citizens with Disabilities to support this change in wording
7	98(7)	Seals placed on the Advance Poll Ballot Box shall not be removed except on the Friday and Saturday of Advance Poll voting	<ul style="list-style-type: none"> Add "Thursday" to the list of Advance Poll days where the ballot box seal is to be opened 	<ul style="list-style-type: none"> Legislation was amended to add Wednesday as an Advance Poll day but this sub-section was overlooked

Election Act

#	Section	Current	Proposed	Rationale
8	116(2)	An elector has from writ day to the close of polls on election day to make an application for a Special Ballot	<ul style="list-style-type: none"> Extend the period of application by electors to start on February 1st in the year in which by legislation the election is to be held and ending for electors requesting a mail out special ballot on the Wednesday Advance Polls commence 	<ul style="list-style-type: none"> These recommendations are consistent with best practices implemented by other electoral jurisdictions across Canada. There is only a 28 day election period. Applying for a Special Ballot starting on February 1st adds additional days for delivery of the special ballot package by mail and ending the mail out option before the Advance Polls recognizes there is no time left to mail the special ballot to the elector and have it returned to the Returning Office by polling day after it is delivered
9	118(5)(7)	The Returning Officer is required to retain the certificate envelope and enclosed ID of the Special ballot elector	<ul style="list-style-type: none"> Add 118(5.1) if an elector has voted by special ballot in person at the returning office and shown their ID to the Returning Officer, there is no need to retain a copy of the identification provided; only record and identify what identification was provided on the certificate envelope 	<ul style="list-style-type: none"> If an elector provides ID at the poll on Polling Day to get added to the list we do not make a copy of the ID provided but do record the type of ID provided by the elector. The same process should apply to a special ballot elector who shows ID and votes in person at the returning office
10	120(2)	The Returning Officer shall immediately after nomination day determine if mobile polls are necessary in treatment centres and supportive living facilities	<ul style="list-style-type: none"> Delete the words “immediately after nomination day 	<ul style="list-style-type: none"> The Returning Officer needs more time to meet with officials of the facilities to arrange for mobile polls. Eliminating the waiting period gives the Returning Officer 10 more days to plan their mobile poll activities
11	135(1)	No person may display election advertising inside or on the outside of a building used for a polling place	<ul style="list-style-type: none"> Expand the description to include “or within the boundary of the land immediately surrounding the building used as a polling place” 	<ul style="list-style-type: none"> The rules to restrict election advertising around polling places will eliminate election sign pollution on the grounds around official election polling locations in Alberta
12	154	A person found guilty of a general offence is liable to a fine of not more than \$500	<ul style="list-style-type: none"> Increase fine to not more than \$10,000 	<ul style="list-style-type: none"> Increasing the maximum fine will align with the general offences provision in the <i>EFCDA</i> (section 50)
